ABOUT ME

I am a Visual Communication Design student passionate about integrating design with technology. My creative perspective is shaped by diverse cultural experiences and continuous learning. I adapt quickly to teamwork, perform well under pressure, and bring discipline and resilience from my sports background. With an energetic and positive approach, I enjoy contributing to innovative and collaborative projects.

EDUCATION AND TRAINING

University

TOBB University of Economics and Technology [25/08/2022 – Current]

City: Ankara | Country: Türkiye | Website: <https://www.etu.edu.tr/tr>

High School

Sınav College Anatolian High School [01/09/2018 – 18/06/2022]

City: Ankara | Country: Türkiye | Website: <https://sinav.com.tr/ankara>

WORK EXPERIENCE

Jugendvision e.V. – Stuttgart, Germany

Communication & Design — (Erasmus+ Internship)

[14/01/2026 – 13/04/2026]

At Jugendvision, I was responsible for the communication and design unit, contributing to project-based visual materials and managing the organization's social media presence. I created design assets for various initiatives, supported communication strategies, and ensured consistent visual identity across platforms. This role strengthened my skills in graphic design, content creation, and digital communication within an international, youth-focused environment.

Turkish Radio and Television Corporation (TRT) – Ankara, Türkiye

Media Production Intern

[05/05/2025 – 15/08/2025]

During my internship at the TRT In-House Productions Department, I supported pre-recorded and live broadcast workflows, assisting with video editing, content organization, quality control, and control room operations. This experience strengthened my skills in video editing, live broadcast coordination, and adapting to fast-paced production environments.

MSM Information Technologies Electronics Communication Stationery Industry and Trade Ltd. Co. – Ankara, Türkiye

Technical Support & Software Intern

[01/06/2020 – 27/10/2020]

I contributed to the technical support team by assisting with the sales, installation, and maintenance of computer systems and IT products, providing customer support, ensuring smooth hardware and software setup, and resolving IT infrastructure issues. In addition, I expanded my skills in design and software development, gaining experience in troubleshooting, user interface design, and system optimization, which enabled me to deliver more comprehensive solutions and support continuous improvement within the technical team.

VOLUNTEERING

[17/04/2026 – 27/04/2026] Paris, France

Youth Uniting Minds: Embracing Diversity through Meals (Erasmus+ KA152-YOU Youth Exchange)

Participated in an international youth exchange focused on intercultural dialogue, sustainability, and non-formal learning through cooking. Contributed to daily cooking workshops, cultural exchange activities, and teamwork-based tasks, while supporting the creation of project outputs such as social media reels and cookbook content. Strengthened intercultural communication, teamwork, and creativity in a multicultural environment.

[03/07/2023 – 01/09/2023] Braga, Portugal

Erasmus+ European Solidarity Corps Project

Participated in a volunteer project focused on social responsibility and environmental awareness. Supported elderly individuals in nursing homes and contributed to nature-conservation activities promoting sustainable practices. Strengthened teamwork, adaptability, and leadership skills while engaging with local culture through outdoor and community-based activities.

[02/10/2023 – 13/10/2024] Ankara, Turkey

Runkara International Half Marathon (1st Marathon / 2-9.10.2023, 2nd Marathon / 9-13.10.2024)

Contributed to the organization of a large-scale international marathon by supporting participant registration, course setup, material distribution, and on-site assistance. Collaborated closely with the organizing team to ensure smooth event operations and addressed participant needs. Strengthened leadership, teamwork, and communication skills while engaging with a diverse, multicultural community.

HONOURS AND AWARDS

[07/11/2023] Ankara Governorship

European Union Erasmus+ Program I earned this certificate by participating in the “It All Starts with a Step” project summit, organized by the Information Technologies Authority, with the reference number 2022-3-TR01-KA154-YOU-000103337.

[15/06/2023] Istanbul University

Effective Communication Certificate I earned the certificate of participation in the Effective Communication Seminar with Mr. Cem Öğretir.

[28/05/2019] Information and Communication Technologies Authority

Python Programming Certificate I earned the certificate for the Python Program from the Information and Communication Technologies Authority.
